

Are ya all-roight? Welcome to yer **Norjam** adventure, boi!

We're a just reachin' out to introduce ourselves, boi **Matthew** and gal **Kester**, yer International Support Team.

We're been told to give ya **helpful knowledge** and **practical support** to make sure ya have a warm, friendly, and unforgettable time with us here in the UK in 2025, boi.

Whoarrewee?

Hiya, I'm Matthew. I've been involved with Scouts since I were a nipper. I'm right proud of the international exposure Scouting and Guiding gives to young folks to help 'em become better world citizens. I've volunteered at several Norjams and a World Scout Jamboree. I used to be the lead volunteer for Norfolk, so I know plenty of helpful folks, boi!

Hiya, I'm Kester. I've been a Scout since I were 15, when I became a young leader with Cubs at the group I'm still part of now. I've volunteered with the UK Contingent team at two World Scout Jamborees, and though this'll be my first time volunteering at Norjam, I'm used to takin' my own group to similar events and have visited Norjam for a day, so I understand the support contingents need to get the most out of Norjam. Can't wait to meet ya all, boi.

Here's some things we can help ya with:

- **Local knowledge** about the UK
- Puttin' ya in touch with local **Scouts and Guides**
- **Thinkin' about practical stuff** like cookin' and a place to stay
- Bein' a **point of contact** for information
