THINGS TO DO

The excitement is building as we find out more about our subcamp and move to the second stage of the booking process.

You should have received your log-in details to access the Norjam system, check your junk in case it has ended up in that box, or contact admin if you still have not located your log-in email.

If you still have not visited our online shop, head over to see the great range of clothing available to order and this is where you will be able to buy your subcamp badges and other great merchandise too, which will be available very soon. Visit the [Norjam Shop here](#).

Make sure you check out the activity pages on the website as more exciting opportunities are being added to our programme areas for participants to explore!

THINGS TO THINK ABOUT

MEET THE TEAM

It's always nice to put a face to a name!

This edition, meet our **Director of Subcamps**, Mark (Danny) Daniels:

Norjam is in the blood for me!

I have been involved since Norjam was restarted in 1983, and so this year is my 13th Norjam Jamboree.

I have been a subcamp leader twice and now have the pleasure of leading the subcamp leaders for the third time.

The Teams are all working really hard to give you the best possible Jamboree experience. We can't wait for you to join us in August and share all the excitement that we are already feeling!

DANNY'S TOP TIP...

Don't forget your pillow so you have a great night's sleep! As you are going to need it with all the fun and excitement of Norjam!!
