

WELCOME TO THE NORJAM MAIN STAGE!

HELLO THERE!

This pack is to help you plan your time while at Norjam – our main stage team have been working up a whole variety of acts to keep you entertained in August!

ACCESSIBILITY

There will be an accessible area for you and your carers if you require it for the opening and closing ceremonies. When arriving at the ring please ask the team who will direct you to Ruth. There will be some benches but please do bring chairs.

CHAIRS

For the main ceremonies we ask that if you are a leader and bringing chairs, please sit to the side so not to obscure the view for everyone sitting on the ground. During the week you are welcome to bring chairs for the evening main acts, but please leave the central area free for those sitting on the grass.

FLAGBEARERS

During the opening ceremony please ensure the central aisle is kept free as performers and flag bearers will be using it. The flagbearers carrying the nation flags have been chosen in advance to be part of the procession, please do not try and join in with your own flags!

MORNINGS

Morning warm-up will be a variety of exercise and party dances every morning including the official Norjam Carnival Dance you'll need to know for the closing ceremony. If you complete the morning warm up five times, you will receive the main stage pin badge!

INTERNATIONAL

For International night on Tuesday – if you wish to perform, please come to the main stage to register on Sunday or Monday. There will be a chance to rehearse on Tuesday afternoon so please bring any music you may need, preferably on a USB – just ask for Paul W or Simon at the stage.

Please note you cannot use any Abba or Disney music.
