## THINGS TO DO

All Staff should have received their log-in details to access the Norjam system and be completing the personal data entries for themselves and any dependent children. Contact admin if you still have not had the log-in email.

Remember that you must also bring paper copies of the data forms to the Jamboree with you. All data entries ideally are to be added by mid-May please, so that we can prepare your arrival pack.

We have room for a few more people to join the Staff Teams. Why not see if any of your Scouting or Guiding friends want to join the Jamboree.

Next month we will be circulating the A to Z of Norjam and the Staff Handbook which will give you all the info you need, but in the meantime, make sure to read the Good Camping Guide – [click here](#).

## MEET THE TEAM

It's always nice to put a face to a name!

This edition, meet our **Director of Essential Services**, Matt Kitchen:

*My team and I are here to keep you safe and well at the jamboree, from the security teams keeping you secure to the medics who help if you feel poorly, the team will be quietly working in the background providing help to those who need it.*

*Scouting has given me the skills I need to work well as part of a team, push my limits, enjoy adventure, and to help others - skills I use daily in my job as a firefighter. Hopefully you don't need to see our team at the jamboree... but if you do spot us... give us a wave!*

### MATT'S TOP TIP...

*Nobody likes to feel poorly or go home early from camp, the best way to avoid it is to wash your hands when you go to the loo and before you eat!*
