THINGS TO DO

Next month, we will be meeting at Norjam and sharing a fantastic week of Scouting and Guiding fun.

Please email the Cromer Subcamp Team if you have any questions about your camping area.

All adults coming to camp MUST have a valid DBS and be up to date with all safety and safeguarding training as required by the UK overnight permission process for both Associations. We will be completing verification checks with Scouting and Guiding in July, so please make sure you are up to date with all requirements.

Information about the Activities and all the Risk Assessments will be on the website soon and we will let you know when they are available to download.

MEET THE TEAM

It's always nice to put a face to a name!
This edition, meet our **Vice Chair**, Richard Butler:

Richard joined our great game 59 years ago and has been an active Scout ever since. Having held a number of appointments locally Richard was a trainer at Scout HQ from the mid 80s, National Scout Chairman and then National Commissioner. He chaired the change from a male only organisation to the coeducational movement we now operate. Appointed County Commissioner for Norfolk in 2000 and he served until 2010.

His involvement in the Norfolk International Jamborees started in 1969 when he helped collect firewood, the last Jamboree before Norjam stopped. Richard was involved from 1983 when Norjam restarted and has attended all Jamborees since. Between 1992 until 2023 he was Chair or Camp Chief to the last seven Jamborees.

RICHARD SAYS...

It is a great joy to be supporting the Chairman Glenn Chusonis and the other directors to deliver the 2025 Jamboree for Scouts and Guides from all over the world.
