Things to do

The Jamboree is only five months away now and hopefully you are as excited as your Norjam Team!

The second stage of registration will be live on the **1st April**.

You will be sent a link to access the database and enter **all** the info about yourself and any dependent children you are bringing to camp. You will also need to enter **two** emergency contacts for each person so make sure you have this info to hand when you start to complete your online registration. Please keep the signed forms safe and **bring them to the Jamboree** with you, as we need copies of these signed forms.

In April we will share the **Good Camping Guide** to help with your planning, and let you know a bit about the staff subcamp too.

The Staff Handbook will be shared with you in **June** with lots of additional information for all staff.

Meet the team

It's always nice to put a face to a name!

This edition, meet our **Director of Retail and Entertainment**, Jamie Twell:

Scouting has been part of my life since I was allowed to wear a grey jumper and necker as a Beaver, but being part of the team that makes Norjam happen is new to me.

The Entertainment and Retail Team will be continuing the carnival into the evening and late nights, with spectacular shows and lots of entertainment for everyone. The marketplace will be the place to buy foods from around the world and all your Norjam souvenirs. Plus try out activities in our Faith, Heritage and International zones.

Jamie's Top Tip...

Keep your money safe and think about using cashless payments at the retail outlets (but we will take cash too).
