## USEFUL THINGS TO KNOW

1. Please follow signage and the traffic management on the day as things may change and getting you safely onto the Showground is our main priority.
2. Print and display your Parking Permit before heading to the Norfolk Showground or you will be directed to the Drop-Off only - we cannot allow anybody on site without their permit.
3. Participant drop-off will be via the Easton Gate navy zone until 1pm and will switch to the Main Gate purple zone after 1pm.
